Edition

American Society of Plastic Surgical Nurses, Inc.

Tracy Hotta, BScN, RN, CPSN, Editor

The Core Curriculum for Plastic Surgical Nursing, 4th edition, represents the comprehensive documentation of plastic and reconstructive surgical nursing knowledge and skills. This new edition reflects advances in technology and patient management and contains additional chapters presenting material on a wider variety of topics germane to plastic surgery.

The Core Curriculum for Plastic Surgical Nursing, 4th edition, is a resource for every aspect of patient care and the development of educational materials and a guide for self-development.

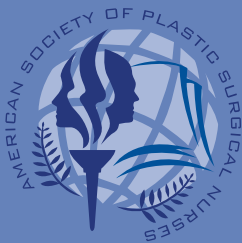

Each chapter includes principles upon which to base an effective plan for patient care.
